Re: Nebraska Republican Federal Campaign Committee  
Identification Number C00032334

Per our discussion on Friday, August 11, 2006, the Commission intended to request additional information regarding the absence of rental payments on the Nebraska Republican Party's monthly reports. This letter is in response to that request. The Nebraska Republican Party owns the building from which the organization operates and therefore does not make rental payments. Our committee will continue to operate from the current location and therefore no disbursements will be reflected for rent through the election cycle.

Sincerely,  
Tiffany Carlton  
Executive Director
